Fersons receiving late Northern newspapers, will greatly oblige us by the use of them. The generala xiety on all bands, to hear the latest intelli- necessities of the young Confederacy, as to gence from the enemy's country, and the absolute ser soldiers, he threw aside his law books and the vice, which the dissemination of such information is heavy practice in which he was engaged, and The Enemy Attempts to Surround Van ning on the right-tell off." calculated to accomplish, should call to the attention of those along the front of our line in Middle Ten nessee, the value of late Yankee journals, We are willing to pay cash, or thanks liberally for such fa independence. Through the agency of public

SUNDAY MORNING, MARCH 15, 1863.

We are satisfied that the Spring campaign will be opened by a battle in Middle Tennessee. It may come to pass prior to mond-that Gibraltar (as she has turned out any serious operations on the coast, in front to be) -of the Southern Confederacy. Col. of Vicksburg or along the Virginia line. It Turney, whilst yet a young man, has made a is certainly impending, and has been de. history for himself in gallant deeds and heroic layed thus far by the condition of the bearing on fifteen battle-fields. After a conroads. How well we are prepared for it, stant service of eighteen months, although his the enemy will be best able to answer, after clothes were frequently pierced with balls, he they have tried us.

fliet hang, for a considerable time at least, front teeth and cutting off a portion of his the destinies of the people of Tennessee. tongue, and passing out at the back of the River, knowing that he had no means of cross- with sails to them. not turned to it with hope and with heart. alive like to be. burning. All of us know full well how seriously it is to affect our political status, how directly it must influence our personal at Donelson. concerns, and how materially its result will touch the most delicate question for the country at large, which rises in the future -that of food. None of us are there, who have not kindred, the nearest and dearest, and friends, the oldest and truest, in that army. At would be strange, therefore, if we The loss was heavy, and without insurance. were not enlisted into a feeling of the most profound seriousness.

hension had crossed our own mind, for we have every confidence in the army of Tennesce, and the sincerest affection and respect for General Johnston. We regard also the geography of our probable "situation," as advantageous.

During a recent visit to the camps of our troops, we were struck by the energy, which was everywhere manifest. Notwithstanding the gloomy weather, the inactivity, the day, by a friend of the "Rebel's," from "a sweet churlishness of unpleasant quarters, and the little cousin in one of the gulf States." I various ills generated therein to mind, evidences "he versatile talent of "Portia" and mood and good feeling, the forces were in the best of spirits. General Bragg, with that rare tact of his, which (notwithstanding we hold ourself to be no especial admirer of his) must be owned a most suc. Adow me dear medam, to recommend, cessful implement of organization, had contrived to amuse the idle hours with various But I'll proceed in an orderly plan sports and duties, from a dress parade to To til each monderfut qualification, the execution of a spy.
